The image shows a screenshot of a Python IDE with two windows. The left window, titled 'lat 2.py - C:/Python314/lat 2.py (3.14.3)', contains the following code:

```
#code for num star pyramind
for i in range (1,5):
    for j in range (5,i,-1):
        print("",end=" ")
    for k in range (0,i):
        print("*",end=" ")
    print()
```

The right window, titled 'IDLE Shell 3.14.3', shows the output of the program after execution. It displays the Python version and system information, followed by a restart message and the resulting star pyramid pattern:

```
Python 3.14.3 (tags/v3.14.3:323c59a, Feb  3 2026, 16:04:56) [MSC v.1944 64 bit (AMD64)] on win32
